## Avoid expensive replacement costs with our Phone Adaptor Insurance Program

**Yes!**

Please enroll me in the Phone Adaptor Insurance Program. FTS will replace the phone adaptor at no extra cost to you. Bill me the extra charge of only \$3.95 per month along with my phone service. This program only covers the FTS provided Phone adaptor and power supply. There should be no outstanding balance on your account at the time of your claim. Any other faulty equipment will not be covered. I may cancel this service at any time by submitting a new form and indicating that I do not want this insurance.

**NO!**

DO Not enroll me in the Phone Adaptor insurance plan I take full responsibility for my phone adaptor purchased from FTS. Should any fault occur with my Phone Adaptor beyond the manufactures warranty I understand lighting strikes and other faults are not part of the manufactures warranty. I also understand that I will purchase a new Phone Adaptor to continue service. I will still owe payment for phone service while I get my Phone Adaptor replaced at my expense.
